WINTER HOLIDAY HOMEWORK

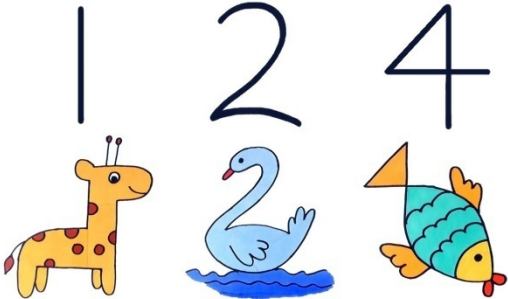

**“THE GREATNESS OF A NATION CAN BE JUDGED
BY THE WAY ITS ANIMALS ARE TREATED.”**

Dear Parents

We have compiled a set of activities to keep your child engaged in learning activities during the Winter Vacation. The activities are designed to encourage recognition of variety of creatures that share the planet with humans.

Animals have feelings and take care of their young ones. They play a vital role in maintaining the balance of Nature. Children should develop empathy towards animals and also be aware that animals can be dangerous.
