HOLIDAYS HOMEWORK (2022-23)

Its Summer time, school vacation has begun time to beat the tyranny of sun and have some fun! So, stay at home and enjoy the summer break, have longer play hours, explore the virtual world, meet your friends at a click of button, pick up your favourite book, fun filled sessions with grandparents and holidays homework. Enjoy every bit of it.

Let you and us be glad that you are a BRAINITE.

Your special voice could reach a soul,
to help us find our special goal.
That perfect heart that's born to teach,
who feels no one is out of reach?
Your passion reached into our mind,
to help us see what we could find.
So, as you leave and step away,
we feel a sadness on this day.

Wishing you a fabulous summer break!

In light of the troubles we have today, there is just a few things I'd like to say
Although the days of this feel long,
together as a country, we stand strong.
Spend the precious times with your family.
Read, do puzzles, play games.
Watch animal planet; snuggle up on the sofa,
as mummy no longer needs to be chauffeur.
Enjoy all day's venture to do different activities
and don't forget to make new adventures.
But most importantly of all,

Stay safe, be brave, we shall not fall.
