HOMEWORK-II: CASE STUDY

A **Design an innovative tool for any one of the following:** 1.Gardener 2.Carpenter 3. Sweeper

The tool should be designed in order to help the worker perform the task with ease and enhance efficiency.

Expected Output: Students to create a three-dimensional innovative tool using different materials (pastel sheets, newspaper, other waste materials etc.) that are easily available at home. Students will be assessed on creative handling of the materials to make the product. The height of the 3D model should be within 12 inches. Include a write up within 150 words to describe the innovative tool that will assist the worker to perform his/her tasks.

B. Budgeting for a fictional trip:

Your class is going on a trip to Rajasthan. As the Head of the Finance club, you have to plan the entire trip.Create a budget that includes the costs of expenses that might incur.

Some points to consider while creating the budget-

- Choose a destination for the visit considering travel time, cost of living, cultural attractions, weather etc.
- Determine the trip length and calculate the cost of lodging, food, and activities for each day.
- Calculate transportation costs for travel to the place and other local transportation.
- Estimate food costs
- Planning activities for the trip, such as visiting museums, hiking, or attending concerts.
- Include unexpected expenses
- Compare the budget to actual expenses.
- Reflect on the experience.

You will be evaluated based on your creativity, assumptions while creating the budget, and factors associated withthe complete planning process.

Expected Output: Students are to create an elaborate budget including at least 5 out of the 6 points given in the prompt. It can be created in an excel/google sheet/handwritten tabular format. The expenses/cost mentioned should be as per the class size. Include a write-up of 100-150 words stating the rationale/relevance of each expense added. Also, share your reflection on the entire experience of creating a budget and how effective you think is this practice.

NOTE- Arrange all the subjects work given on the theme of Lakshadweep, Andaman and Nicobar islands in only one clip file in the following sequence.

SEQUENCE of WORK IN THE PROJECT FILE
