HOLIDAYS HOMEWORK (2023-24)

THEME: FUN AND FROLIC

NAME: _____

"Schools out, Summers in, Let the Drama stop and the fun begin."

The long-awaited Summer Holidays are finally here.

Summer Vacations.....!!

It's time to stay up late. It's time to play all day and not think about tests and worksheets. Yes, it's time to relax and enjoy. It's time to enjoy reading books with your grandparents. After all summer holidays are here. Holidays are great, but school work can be fun filled and inspiring too! So here are a few interesting activities to keep you going, through the summer break.

So, it's a humble request to parents to take a positive interest, as the children learn a lot by 'learning by doing' method. In fact, your involvement too will add an element of fun and excitement to the project work. Summer Holidays Homework is an initiative on our part, to inculcate innovativeness, creativity and interests in the task assigned to our students.

INCULCATE GOOD MANNERS

- Encourage the child to wake up early in the morning.
- Teach your child to wish the elders 'GOOD MORNING', 'GOOD AFTERNOON',
- **GOOD EVENING AND 'GOOD NIGHT'.**
- Make an effort to add the following magic words to their vocabulary.

PLEASE

SORRY

**THANK
YOU**

**EXCUSE
ME**

- Encourage them to take care of "Personal Hygiene by inculcating the following habits:
 - a) Brushing teeth twice daily
 - b) Combing hair regularly
 - c) Bathing everyday

- Inculcate following 'Life skills' in your child to help Him Her become independent:
 - a) Packing his/her school Bags
 - b) Tying his/her shoe laces
 - c) Laying the table for dinner.
 - d) Arranging shoes in the shoe rack
 - e) Filling the water bottle
- To develop "Fine Motor Skills" let your child indulge in activities like:
 - a) Watering the plants using spray bottles
 - b) Mashing Potatoes
 - c) Shelling out peas
 - d) Zipping and unzipping
 - e) Buttoning and Unbuttoning
 - f) Opening and closing the bottle cap / tiffin lid.

1. "Paste and Preserve"

Dear Parents

Kindly take a scrapbook and paste the pictures of the following activities that you are required to do in these summer vacations along with your child:-

- Pool party at home - You can set up a pool at home or you can do a make shift arrangement of a pool with a tub and allow your child to splash in the water and beat the heat
- Visit to any monument - like Red Fort, Qutub Minar, Humayun's tomb, Taj Mahal etc...
- Visit to any temple, Gurudwara or Church
- Visit to any mall
- Visit to any hill station
- Family picnic fun - Visit any park or India Gate and have fun with your family
- Nani house fun

You can take a printout of the pictures and you need to paste them in the scrapbook. Decorate the scrapbook using your creativity and preserve the memories to be cherished forever.

2. Little Chef

"Eat Good, Feel Good."

Soft Millet Idlis – Spongy Idlis using Millets – Millet Idli Dosa Batter Recipe
Instead of always making idli with rice, try with millets.

You can use any millets but see to it, that you get unpolished millet which is good for the health.

3. World Environment Day (June 5, 2023)

"Let's Nurture the Nature so that we can have a better Future."

Let's nurture the nature so that we can have a better future. Hurray! it's time to celebrate the World Environment Day on 5th June. Even a small change can make a huge difference to our world. Are you up for the change challenge? Let's colour the given picture and make this world a beautiful place to live in and protect our environment by following the three R's - Reduce, Reuse and Recycle.

4. Father's Day (June 18, 2023)

"A father is someone you look up to no matter how tall you grow."

Colour this picture or make a card and gift it to your father on Father's Day. **Note:** Click a picture of the same and share it with your class teacher.

5. International Yoga Day (June 21, 2023)

"Yoga is the journey of the self, through the self, to the self."

➤ **ACTIVITY – Lets Do Yoga**

Mountain Pose

Stand straight and Spread the legs and toes few inches apart. Keep the arms alongside the body.

The shoulders must be relaxed and not stiff. Raise the arms above your head. Hold the posture and breathe slowly. Retain as long as comfortable.

Volcano Pose

Stand tall with your feet slightly apart. Bring your hands to prayer position. Inhale and push your hands to the sky.

Exhale and move your hands to the side and then back to the centre.

Cat Pose

Get down on hands and knees. Reach spine towards ceiling as high possible so that the back is arched like a cat. Make meow - meow noises

Note: Share pictures of your child doing Yogasanas with the class teacher.

6. Doctor's Day Activity (July 1, 2023)

"Medicines cure diseases but only doctors can cure patients."

This doctor's day, let's take a moment to thank the doctors for their selfless service. So, kindly visit your child's Paediatrician on Doctor's Day and present a thank you card or a flower or a chocolate or a pen to them to thank them for their service.

Note: - Click a picture of your child presenting a token of love to their doctor and send it to the class teacher.

7. Table Mat Making

- Take an A4 size white sheet.
- Draw a fruit basket /
- Cut colourful paper into 1 – inch long strips. Help children “snip” the strips into smaller pieces and glue them onto their paper to make a mosaic.
- Paste the child’s photograph at the back side and label the mat.
- Laminate it and send it to school.
- This shall be used as a table mat by the child in school. It would be there in child’s bag everyday.

8. Creative Expression

*“Creative projects planned for you
Holder rings and faces too!!
Let your little fingers create,
By yourself or with a mate!!”*

It is the time to use the waste material and let's make some new attractive craft out of it. So, encourage your kids to come up with some innovative craft using waste material (newspaper, ice-cream sticks, CD's, Glass Bottle, Ear Buds, Card-board, Paper Cups, Bangles etc).

Below are few examples of how we can use waste material to make the unique things.

Note: You can add your creativity and come up with new ideas to make the project more attractive.
