## VAN MAHOTSAV (07.07.23)

**"He who plants a tree, plants hope!"**

To mark the annual celebration of Van Mahotsav, the school organized an array of events. This included rendition of poetry, remarkable skit wherein the adorable students gracefully showed how mankind is on the verge of destroying and recklessly cutting the trees. A pledge was thence taken by all to save trees which was followed by the planting of saplings and a rally march with slogans and recitations in the local areas to attract more people

towards this initiative. Slogans and rhymes were also recited in the Nursery Wing. The school buzzed with other academic curricular activities planned for students across all levels. Students of Class III picked the idea of recycling and converted used plastic bottles into beautiful pots, Class IV learners expressed their gratitude towards Mother Earth by making head gears with impressive slogans. Alongside, Class V enthusiasts indulged themselves in making seed bombs by wrapping dried mango seeds with wet garden soil to be used at remote places to enhance green cover. Apart from these Hindi and English poetry as well as jingle singing competition on the relevant issue were also organized in the Senior Wing. The curiosity to learn and the will to create a change were clearly seen in the efforts of the students.

## AWARENESS ON VECTOR BORNE DISEASES (11.07.2023)

To create awareness among masses regarding Vector Borne Diseases like Dengue, Malaria, Chikungunya, the school took up the onus of sensitizing the students for the same. In lieu of the same, a special morning assembly was conducted, wherein students were sensitized about prevention and control of mosquito genic diseases through an array of activities like Poem Recitation, Speech and Nukkad Natak. Students were also encouraged for Poster/ Slogan Making on the same. A useful and informative video, describing these deadly diseases, its symptoms, causes and preventive measures, was virtually shared in the class groups. In continuation to the same, Do's and Don'ts were displayed on school notice boards and students were encouraged to wear full sleeves clothes. Dengue Homework Cards were distributed amongst the students for regular monitoring of their homes and surroundings to ensure that there is no accumulated water in which mosquitoes can breed and flourish. The inspection of water stagnation was inspected in every nook of the school campus. Thus, the collaborative effort of school, students and stakeholders will definitely ward off these pathogens and ensure safety and wellness of the masses.

## YOUNG RANGERS CONTEST (22.07.2023)

In order to inspire students to become champions of tiger conservation, The Times of India along with Times NIE organized 'Saving our Stripes Campaign', on July 22, 2023. Students of Classes VI to XII actively participated in the same as this competition offered a unique platform for young minds to deliver a powerful conservation message centered around the Majestic Tiger and its vital role in maintaining our

ecosystem. Samreddhi Ghosh (XII- A) and Bhumi Hans (XI- B) penned down self-composed poems whereas Kavay Gosain (X- B) exhibited his marvelous artwork. Thus, it was indeed an inspiring initiative for students to not only display their talent but also to create an emotional connection for tiger conservation and foster a future of positive change.

**EDUCATIONAL VISIT TO EXHIBITION ON 3RD ANNIVERSARY OF NEP, 2020 AT ITPO, PRAGATI MAIDAN , DELHI (23.07.2023 )**

A group of students and educators of the school embarked on an educational trip to ITPO, Pragati Maidan, New Delhi, on July 29, 2023, to explore and gain insights into the National Education Policy (NEP, 2020). The day was indeed historic as Prime Minister, Mr. Narendra Modi inaugurated the second Akhil Bhartiya Shiksha Samagam on the 3<sup>rd</sup> anniversary of NEP, 2020. The exhibition showcased the key strategies of the transformative future of education paradigm shift from model to a learner-critical thinking, solving skills. The education, education and the extracurricular activities were also showcased, emphasizing a holistic approach to learning. The educational trip was an enlightening and enriching experience that served as a catalyst for young entrepreneurs for their personal growth and commitment to shaping a better, more equitable and progressive educational landscape in India.

**WORLD NATURE CONSERVATION DAY(28.07.23)**

**‘Let’s choose conservation on this World Nature Conservation Day and be guardians of Earth’s wonders.’**

World Nature Conservation Day is a perfect opportunity to call for collective efforts and support to protect the earth's resources like conserving forests and wildlife habitats, reducing pollution, protecting endangered species and addressing the climate change.

Taking the same into consideration, students of Class I & II did hand printing using green and blue water colors, spreading out a message to keep our earth clean and plant more trees as it supports life on the planet. Students of Class III made blue and green bins by delicately wrapping origami sheets around disposable cups. Another wonderful engaging activity was presented by Class IV students as they made newspaper bags. To conclude Class V students were guided to make folders using colorful handmade sheets, charts, etc.

## INDEPENDENCE DAY (15.08.2023)

**'Ours is a land of sages, known for bravery for ages.  
None can with it compete, its culture none can beat.  
Let's for it work hard, for its safety, be on guard.'**  
– Dr. APJ Abdul Kalam

To mark the 77th glorious triumph of India, reminisce the indomitable spirit of our freedom fighters and partake in the splendid victory of freedom, the school celebrated Independence Day with great grandeur and pomp. The school arena adorned with the tricolor resonated with the percussion instruments and echoed with the National Anthem during the flag hoisting done by the guests

present. The event exuberated with the cultural extravaganza of a divine shabad, thought provoking speech, rendition of efficacious patriotic songs, sensitizing skit, scintillating Sufi Dance performance and acrobatic pyramid. In the Pre Primary Wing, post the cultural programme a prize distribution ceremony took place wherein students securing positions in Colouring and Hindi Rhyme Recitation competition were felicitated. Each moment of the patriotic fervor was relished by the august gathering.

### INVESTITURE CEREMONY (19.08.2023)

A student cabinet is the driving force of the school as it plays a significant role in helping the students resolve their problems and coordinating the school's management with students. Holding onto this notion, the school conducted an Investiture Ceremony to felicitate the elected members of the student council and to encourage and kindle leadership qualities in our young prodigies. The event began with the lamp lighting ceremony followed by a soulful Hardev Bani Shabad. Thereafter, the Reverend Manager and Chairman accompanied by the HOS, presented sashes and badges to the newly elected, 37 members of the student council. The pupils pledged to serve their Alma Mater with utmost sincerity and to the best of their abilities. The event proceeded with a candlelight exchange between the newly elected and former Head Boy and Head Girl. The ceremony concluded with the Guests of Honor showering their blessings and motivating the students.

**'Creativity is seeing what others see and thinking what no one else ever thought.'** - Albert Einstein

Science toons are the cartoons meant to inform and sensitize people towards various scientific concepts in an intelligible and interesting way. Sticking to the concept, students of classes IX and X were motivated to run their imagination wild on various topics of science of their interest. Of many topics chosen by the young artists, recent launching of Chandrayaan and flood in Delhi reflected their approach and fascination for Science

# TALENT HUNT(11.08.23)

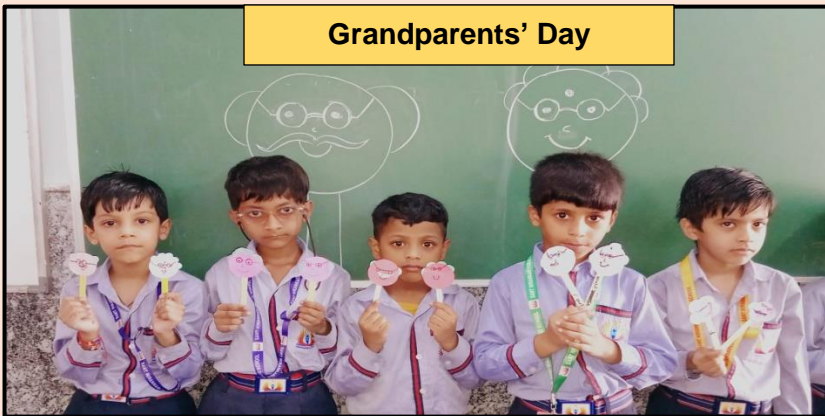

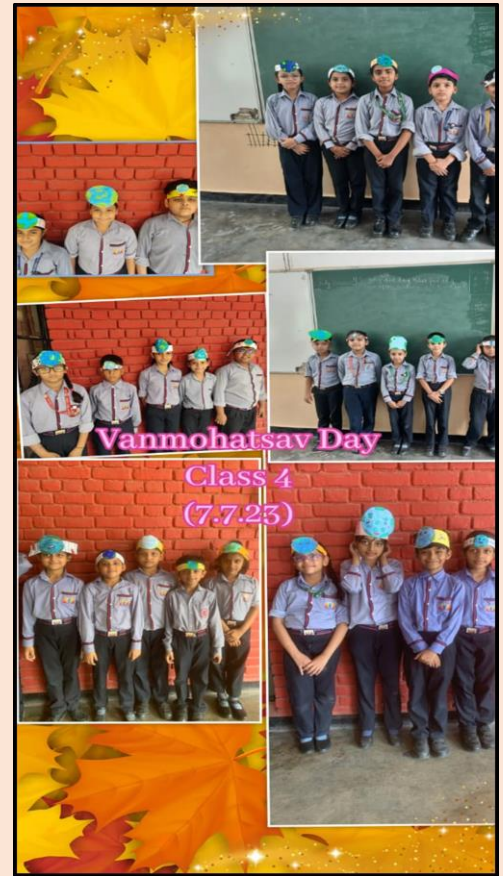

'Talent is the multiplier. The more energy and attention you invest in it, the greater the yield . the time you spend with your best is quite simply your most productive time.'

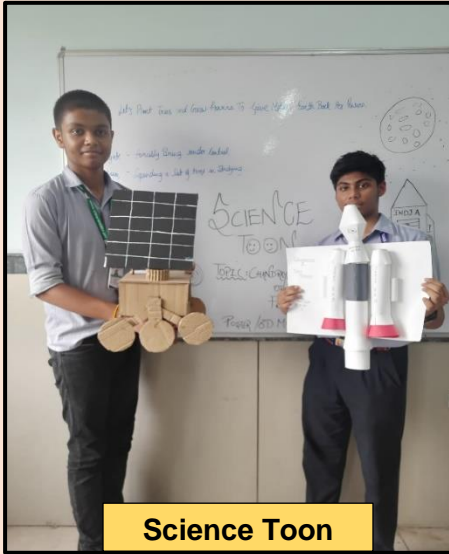

Talent Hunt is an event which gives a platform to students to represent their innate talents and mastered skills in any field. It not only helps the participants to show their abilities but also motivates other students, to come up front and show their hidden potential. To let our budding enthusiasts come forward and shine, a Talent Hunt was organized, in the Audio Visual Room. A tidal wave of around 65 participants, put in their heart and soul in preparing themselves for this event, in various areas like artwork, music, instrumental music, beat boxing, dancing, mono acting, stand up comedy, etc. The students created their own band groups and gave mind blowing performances exclusively designed and created on their own.
