SUMMER HOLIDAYS HOMEWORK (2024-25)
CLASS V

Dear Students,

Some Important Points To Remember:-

- ❖ It's the perfect time to enhance your speaking skills and vocabulary by conversing in English with your family and siblings.
- ❖ Holiday Homework is a part of portfolio and will be assessed on the basis of creativity and efforts of the students.
- ❖ Revise all the work done in the month of April and May for the upcoming Periodic Test-1 (July)

Note- Do all the given work in A4 size sheet.

ENGLISH

Draw and colour/paste a picture of the moon. Now, write a poem on "The Moon". Below the poem, write the rhyming words used in the poem. Also, write the rhyming scheme of the poem. Do this work on A3 size sheet.

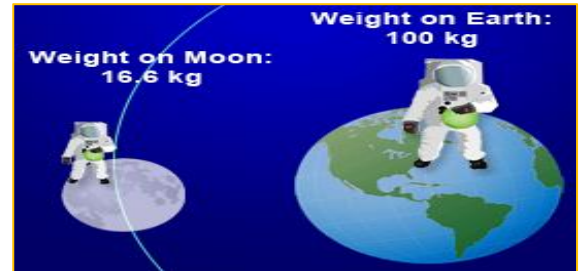

MATHEMATICS

1. Find out the distance of Moon from the Earth. Write the distance of Moon from Earth in words according to Indian and International system of numeration.

On the moon a person would weigh six- times less than they do on earth. This is because the moon has one – sixth the gravity of the earth. The low gravity on the moon made it easier for the astronauts to move around and even jump.

2. Your weight on the moon would be approximately one- sixth of your current weight on Earth. Find the weight of your and your family members on the moon. Represent it in a tabular form.

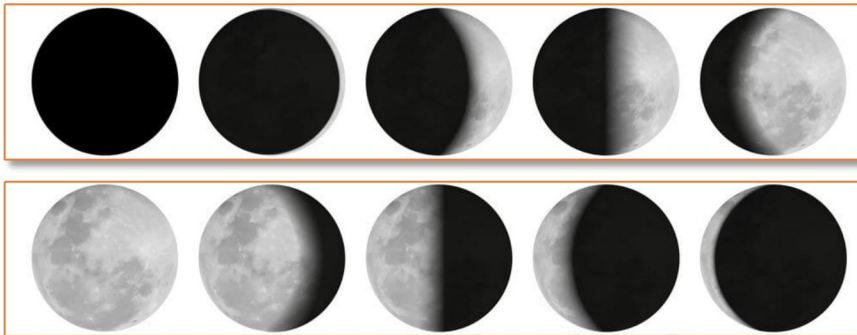

NAME OF FAMILY MEMBER	ACTUAL WEIGHT (in KG)	WEIGHT ON MOON (in KG)

हिंदी

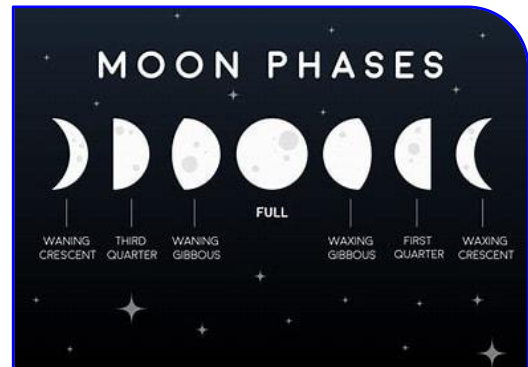

दिनों के हिसाब से बदलते हुए चाँद के रूपों का वर्णन कीजिये। उदाहरण के लिए ईद का चाँद, पूर्णिमा का चाँद।
