

SANT NIRANKARI PUBLIC SCHOOL, NIRANKARI COLONY HOLIDAY HOMEWORK FOR CLASSES XI A AND XII A

Activity 1:

Prepare a model (in group of 3-5 students) where some models based on emerging technologies may be presented and explained such as solar panels, rain water harvesting, e waste management etc.

Activity 2:

Enumerate ways in which science and technology have changed lives particularly in the context of differently abled children. It should be made on A4 size sheet having pages 6-8 in number with photographs.

Activity 3:

Make presentation on initiatives and conservation movements made by individuals and organizations for sustainable development. The print out should be submitted and the presentation should have around 8-10 slides.

NOTE

The Holiday Homework will be assessed and marks given will be given in work education and general studies which will be reflected in class XII Board certificate, so it is mandatory for each student to submit the holiday homework in one single file.
